Activity B - Minnesota Physical and Political Map

PART 1 -

Minnesota has 87 counties. The counties are governed by boards of commissioners who are elected. DO THE FOLLOWING:

- Label your country. Color it RED
- Label the counties that touch your county. Color them BLUE
- Now color the rest of the counties GREEN

PART 2 –

On the blank map that follows, place the following locations on the blank map. Make sure your map is neat, accurate and complete.

RIVERS <ul style="list-style-type: none">• Mississippi River• St. Croix River• Minnesota River• Red River	CITIES <ul style="list-style-type: none">• Luverne• Minneapolis• St. Paul• Duluth• Rochester• International Falls• Mankato
